

STANFORD

2022 WINE COLLECTION

COLLECTOR'S RESERVE

Fisher Vineyards

2019 NAPA VALLEY

Cabernet Sauvignon

This Cabernet Sauvignon shows complex aromatics of ripe cherry, and tobacco. On the palate, the wine has notably dense characteristics with hints of dark plum skin, powdered cocoa and a long, brooding finish.

— Adam Goodrich, Winemaker

Only exceptional wines are considered for the Collector's Reserve designation. This outstanding small-lot, estate grown Napa Valley Cabernet crafted by Fisher Vineyards is worthy of this distinction.

— Carolyn Manning, '78; founder, Stanford Wine Program
